Ratios

- 1 Eve is making a bird house. To make the walls, she takes a piece of wood and cuts it into four pieces in the ratio 5 : 6 : 6 : 7. The longest wall is 9 cm longer than the shortest wall. 

How long was the original piece of wood?

..... cm

[Total 3 marks]

- 2 Hannah is making some green paint to paint her kitchen wall. She makes it by mixing together $3\frac{3}{4}$ tins of yellow paint and $1\frac{1}{2}$ tins of blue paint. 
The tins are all the same size.

a) Express this ratio in its simplest form.

.....

Past Exam Papers

The screenshot shows the AQA website for GCSE Mathematics. The page includes the AQA logo, navigation links for Subjects, Qualifications, Professional development, and Exams administration, and a search bar. The main content area features a 'NEW' banner for the GCSE Mathematics specification, a 'Decided to teach our new Mathematics specification?' call to action with a 'Sign up now' button, and a 'Talk to us' section with a video thumbnail of a woman.

GCSE Mathematics

Teaching from: September 2015

Exams from: June 2017
Specification code: 8300
QAN code: 601/4608/4

With new content, assessment and performance measures, you need to change how you teach maths. Why not change for the better?

The Government's exam changes mean there's not going to be an easy option for GCSE Maths.

With content the same for all exam boards, how you choose which GCSE Maths will be right for your students will be down to how it is assessed and how it is supported.

We think we've put together the first-choice GCSE Maths for you and your students.

Resilience

Don't give up...if you make a mistake, if you don't get it, if you don't like it...you can get there.

Resilience

Don't give
mistake
do

You can do it!
It won't destroy you!
It is hard but it is worth it!
It isn't a competition you have nothing to lose!

, if you
set there.
