Soar Valley College

A SPECIALIST MATHS AND COMPUTING COLLEGE

ASPIRE ENJOY ACHIEVE

Dear Applicant,

Post: Assistant Principal L12-16

Thank you for your interest in this key post in the college, which arises due to the previous postholder gaining a promoted post elsewhere, which is itself an indication of the development of staff at Soar Valley.

Having said that, leadership posts do not come up often at Soar Valley and this is an exciting opportunity for a current senior or middle leader to join our committed and successful team. The main responsibilities of the post can, to some extent, be shaped to suit the interests, skills and experiences of the successful candidate, and could include various aspects of the school's work, the standards and achievements of particular student groups, etc.

We are looking for someone who has been able to demonstrate excellent leadership and impact in their current role, and who is able to work effectively as a member of a strong, collaborative leadership team. We have a very consultative model, where decisions are often made by and always shared with the wider staff team. If you relate to this approach then please do read on, there is plenty of information enclosed and on our website.

For those wishing to visit the school we have organised several sessions as follows:

- Monday 24 February 4pm
- Thursday 27 February 4pm
- Friday 28 February 4pm

To arrange a visit please contact Smita Stone, Personnel Manager, on 0116 2688441 or ssstone@soarvalley.aspirelp.uk

If, after considering the information provided, you feel you have the drive, commitment and enthusiasm to play this key role in Soar Valley's continued journey of success, we look forward to receiving your application. Completed forms and a letter of application outlining your strengths and experiences should be submitted by **3pm Tuesday 4th March 2025**. Once again thank you for your interest and I look forward to receiving and reading your application.

Yours faithfully,

Julie Robinson
Principal

General Information

We are justifiably proud of our school, in particular the caring, inclusive ethos, our high standards and our achievements. Our school motto of 'Aspire, Enjoy, Achieve' is more than just words. It really does sum up our ethos; that of working with every individual to ensure they do the best they possibly can in a supportive environment rich with opportunities. More on this can be read in our prospectus, which is available on the school website www.soarvalley.aspirelp.uk

We are an Outstanding 11-16 community, comprehensive school in the city of Leicester with approximately 1560 students on roll currently, and are heavily oversubscribed every year with more first choice applications than places available, despite increasing the number of students per year group from 255 to 312. Students come from very diverse ethnic, cultural and religious backgrounds, which contributes to our unique ethos, with the vast majority (around 90%) coming from ethnic minority backgrounds. Most of our students have a first language which is not English and approximately a third qualify as Pupil Premium.

Our last Ofsted inspection was in 2014! However, we maintain we are still an Outstanding school and, in many ways, practice now is even better. We have external reviews regularly, for example by being part of Challenge Partners and, more recently, by inviting in a team of external consultants, all Ofsted trained.

"Leaders, including governors and trust leaders, demonstrate a relentless aspiration for excellence. As a result, they are continuously looking for areas to improve. All staff contribute to policy making, leading to staff feeling involved and empowered. As a consequence, there is a commitment to the application of policies both consistently and effectively." (Challenge Partners 2023)

As part of the first wave of the BSF programme in Leicester, we moved to a new building in 2009. Our highly impressive school building offers excellent accommodation and facilities for all areas of the curriculum and the local community. We also have our own Training Centre, which is used as our Trust base as well as for a wide range of CPD activities, and has proved to be extremely successful.

"The conduct and manners of the vast majority of pupils are impeccable. This is a significant strength of the school. The school lives and breathes its values. Pupils feel a sense of belonging. They are proud and privileged to be a member of the school." (External review 2024)

Achievement is impressive. When students start with us their prior attainment is below or at national averages. However, outcomes at the end of Key Stage 4 are significantly above national averages. Both

attainment and progress measures are very strong. A Progress 8 figure of +0.7 in both 2024 and 2023 puts us amongst the best schools in the country (at least the top 7%), with our disadvantaged students also performing well above the standards for all children nationally.

Attendance is also excellent, in the top 10% of schools nationally, when compared to similar schools and all schools, and amongst the very best in the city of Leicester. The vast majority of our students, around 97%, go on to further education or training, mainly at local sixth form colleges.

Our most important asset is our staff. We invest in making sure staff are well-developed and supported, with professional development being a key feature of our work. There is a multi-faceted programme for staff at various stages of their career and to meet particular needs. For example, every new member of teaching staff, regardless of experience and responsibility, is allocated a Teaching and Learning Coach, an experienced Soar Valley teacher with whom they can discuss and reflect on teaching strengths and areas for development, a strategy which has proved very popular and developmental.

We have taken several measures to reduce workload for staff, and feedback is always positive. A copy of our Wellbeing Charter compiled by staff is included in this pack.

Many of our staff, both from the teaching and support staff teams, have been promoted internally, often in competition with an external field, and this is a reflection of both the fact they wish to stay and of the development they receive.

“Leaders are accurate about their self-evaluation of the school. The strong values inform the way policies are designed, stakeholders are engaged with, and ambitious targets are set. Leaders encourage reflective practice. They invest in their greatest asset, the staff.” (External review 2025).

Another significant strength of Soar Valley, of which we are very proud, is the range and quality of the extra-curricular activities that staff offer. Opportunities are too numerous to mention here but we have, for example, a thriving Duke of Edinburgh programme, an extensive sports programme and are also very active within performing arts. Trips and visits are numerous. We are proud of the fact that we were the first school in the county to gain the Quality in Study Support Award at each level which recognises this outstanding provision. We have very strong links with our feeder primary schools through both curricular and extra-curricular activities.

“The school excels in fostering the personal development of pupils through a wide range of high-quality experiences. It offers exceptional opportunities for talent and interest development, benefiting all pupils, including disadvantaged pupils and those with special educational needs. Leaders have created a harmonious community where pupils and staff are proud of their school and are exceptionally kind to each other.” (External review 2024)

We also have a wide range of activities on site in the evenings and at weekends that benefit the wider community. The school is open until 10pm most evenings and at the weekends, with the facilities mainly booked for sporting activities. A number of events are also held at the college by various faith communities. Parents are generally very supportive of the school and the benefits that it brings for their children, with students making an outstanding contribution to their community.

Soar Valley is the lead school in Leicester's newest multi-academy trust, Aspire Learning Partnership, and the development of relationships with other schools, both secondary and primary, is bringing further benefits. In addition, we have been the 'hub' school for mathematics development across the whole city for many years, and we hold regular meetings for all heads of department across the city, along with an annual CPD conference. Soar Valley is now also the Hub school for science, art, and SEND, a reflection of the high-quality leadership across the school and at all levels.

Most secondary and special schools in Leicester belong to the Leicester Education Improvement Partnership (LEIP), an alliance of schools in the city offering support and challenge to each other, and the office for which is situated within our Training Centre. The partnership is very strong and brings a number of distinct benefits to the city and member schools.

"The leadership of teaching is very strong; much of the teaching is outstanding and the vast majority is consistently good." (Ofsted).

Thank you for your interest in our school. We believe it is a unique place, one where staff and students are proud to belong. Please do look at our website and our X (Twitter) page @soarvalley16 to gain more information and a flavour of what we are about. Visits are welcomed; please just contact us.

Soar Valley College

Our Staff Wellbeing Charter

Introduction

Our school motto is not just three words, really does mean something, and we believe Soar Valley has a unique ethos.

Aspire – we aim high and expect everyone to do so, students and staff alike. Our mantra of ‘effort is everything’ means all can succeed, and they do. Each child is encouraged to be the best version of themselves, and the same is true of our staff, who are fantastic!

Enjoy – we aim to make the school and work experience as enjoyable as possible. Working in education can be fast-paced and demanding, it is important to have fun too!

Achieve – we are a highly successful school, and that is not all about exam results. Our staff turnover is very low, and there are even those who have come back. All are highly valued; without any one person, the school would not be as effective, we are indeed the sum of our parts.

This means that we take the wellbeing of our staff seriously.

We recognise that staff who are valued are at the heart of the success of the school.

We recognise that excessive hours of work and unrealistic deadlines can be detrimental to staff wellbeing and their effectiveness and, ultimately, to the outcomes for the children in our care.

In light of this, leaders will:

- Be mindful of and encourage a healthy work-life balance for all staff.
- Actively look to develop and adopt efficient and effective working strategies.
- Acknowledge that the needs of the school and its staff are not static but change over time.
- Seek the views of staff on their working life on a regular basis, through both formal and informal methods.
- Respond sensitively to external pressures which affect the lives of staff members.
- Consider all new developments and filter those which will impact positively on our school and implement them in a measured way.
- Consider the effects of any new initiative on workload, considering and balancing impact on workload carefully.
- Regularly review and if an initiative/change is not having a reasonable impact, it will be removed.
- Make staff members aware of the channels which can be used to manage and deal with stress or work related health and wellbeing issues.
- Ensure an effective professional development programme for all, to ensure staff are developed in their roles and achieve a sense of satisfaction.

- Be open and receptive to feedback about policies and developments and their impact on staff wellbeing and workload.

All staff will:

- Assist in the development of good practice and ensure they do not, through their actions or omissions, create unnecessary work for themselves or colleagues.
- Ask for support as and when required.
- Identify opportunities for development and take advantage of those offered by the school.
- Apply for any requests for absence in advance and be open about sickness absence.
- Share their views, ideas and feelings in both formal and informal settings.
- Make sure that all feel supported and welcome, offering support as appropriate for each other.

Some of the strategic measures to support staff wellbeing

The focus on staff wellbeing and workload is not a new one for Soar Valley. There are a number of strategic measures which have been taken to support all staff over the past few years. The list below is not an exhaustive one but illustrates the approach.

- All teachers have a minimum of 14% non-contact time, with additional time for those with leadership responsibilities.
- There have been no written reports at Soar Valley since 2005. A review was undertaken and a simple data collection system implemented.
- There are three formal data collection points and reports home to parents during the year, one per term.
- A structured CPD programme is in place, being reviewed and revised each year to meet the needs of both the school and individuals. There is also a strong induction programme for new staff and development programmes for both newly qualified and recently qualified teachers.
- An extensive CPD library is available for staff, another opportunity to supplement professional development of staff.
- There are regular briefings for staff, both teaching and support staff, so all can remain informed and involved in developments and news in the school.
- Meetings are carefully planned to meet professional development and college improvement priorities, with only one meeting a week for most members of staff. Every effort is made to start them promptly and ensure they do not overrun.
- Considerable investment in the pastoral and inclusion teams has led to strong support in these areas with high quality staff and effective structures.
- The high quality SEND team, with well-qualified and trained teaching assistants, means detailed and supportive strategies and information are always available.
- Investment in a small but high quality EAL team means those students with the highest level of need can receive targeted intervention until they are able to access the curriculum.
- Policies and procedures, which have been introduced for behaviour management, are clear and effective. The Step system means that any student behaving inappropriately is removed from the lesson.
- Centralised detention systems support staff in ensuring high standards of behaviour.
- Much of our policy is written by staff, either through working parties or middle leader groups. Examples are the assessment policy, homework policy, marking policy, all of which have been written by staff and for staff. Where not directly written by staff, they are fully consulted in any new/amended policy through our meeting structure.
- Subject teams have a high level of autonomy to teach and structure in the way they think best. There will always be challenge to improve, and indeed often do so themselves!
- Staffing levels are high, with additional groups in many subject areas, especially at key stage 4. Class sizes at key stage 3 have been kept to an average of 26 or lower.
- There is administrative support for each department in school, as well as a full complement of technical support staff.

- The rarely cover policy means that teachers will only provide cover for absent colleagues if they are timetabled for a 'support lesson'. We employ three Cover Supervisors so that students have known cover staff, which also leads to calmer lessons.
- We have created a culture of mutual respect amongst the staff, and there are positive working relationships across the school. Support and teaching staff are all vital in the success of the school.
- Communication is open and transparent. We ensure emails are useful and endeavour to make the number sent and received manageable.

And some of the 'nice to haves'

Sometimes the little things really matter, and whilst not strategic in nature, these are examples of some such things at Soar Valley:

- Samosas – we love our samosas, which appear for birthdays, other celebrations and thank yous.
- The Unicorn of Appreciation comes out about once a term, for staff to recognise others, just say thank you or well done.
- Staff sport is a regular feature on a Friday, allowing the sporty amongst us to work off the week.
- There are outdoor areas where staff can relax in summer months which are not accessible to students, such as the allotments and memorial garden.
- There are occasional staff workshops (such as making pottery decorations at Christmas).
- Free flu jabs are offered each year for staff.
- Lunch is always provided on training days and food is available prior to parents' evenings.
- Our Christmas lunch at the end of the autumn term is an annual event.
- Tea and coffee are always freely available for staff and visitors in the main staffroom.
- We party impressively at the end of terms, and there are various other social events.

Successful applicants seeking to work with children and/or young people will be required to undergo an Enhanced Disclosure; this will include a check against the Protection of Children Act (PoCA) List and List 99. For posts working with vulnerable adults, this will include a check against the Protection of Vulnerable Adults (PoVA) List.

All roles within the College are covered by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 and are subject to an enhanced Disclosure and Barring Service (DBS) (formerly Criminal Records Bureau (CRB)) check. These posts may also be subject to further DBS re-checks at appropriate intervals. Further information about what the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 means for applicants is provided on the Application Form.

Declaration of Previous Convictions

The Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 as amended makes certain regulated activity (i.e. work with children and/or young people) exempt from the Act and therefore, requires individuals seeking to work with these groups to be subject to Enhanced Criminal Records Bureau Disclosure checks amongst others.

This post is classed as exempt under the Rehabilitation of Offender Act 1974 (Exceptions) Order 1975 as amended. Therefore, you are required to reveal all convictions, both spent and unspent in your application. Please note that having a criminal record is not an automatic bar from working with us: whether or not your criminal record has a bearing on the post you have applied for will be carefully considered as part of the recruitment process. If you have just completed full-time education the College will seek references from educational establishments. You will need to provide the name of your Principal or other professional as a reference. If you are self-employed you will need to provide details of individuals/businesses that can provide you with a professional reference.

If you have undertaken voluntary work with children and/or young people you should use the voluntary organisation as a referee.

If you have not previously worked with children or young people, you must provide a character reference from someone who is able to confirm your suitability to work with children. This would normally be someone in authority e.g. a lecturer, doctor, or community leader. Please note, character references are normally only accepted as a supplement to an employer's reference.

In all cases, The College will contact the referee prior to the interview, except if you have specifically indicated that you would prefer us to contact them only if you are made an offer of appointment.

Employment History & Gaps in Employment

To ensure our responsibilities for safeguarding children and young people are met you must ensure your employment history and reasons for any gaps are clearly detailed.
